

Break O'Day

Chamber of Commerce & Tourism

NEW MEMBER APPLICATION FORM

ABN 32 902 112 802

Dear Colleague,

Thank you for your interest in becoming a part of Break O'Day Chamber of Commerce and Tourism Inc.

Representing business and tourism in the Break O'Day region

Constitutional Objective

In providing a pro-active approach in support of business and tourism, the Chamber will advocate and promote the interests of commerce and tourism within the Break O'Day municipality.

The Chamber will share information on commercial matters of interest to members, and act as an advocate for members when necessary and as agreed upon by members.

Assets and income of the Chamber shall be used solely to further the objectives of the Chamber and will not be distributed to members except as compensation for services rendered as agreed upon by Chamber members.

We are an apolitical group of business and tourism operators and professionals, which meet on a bi-monthly basis to network, establish connections, seek advice, and participate within a social community support network. We provide an avenue for organisations, associations, local Council and Government bodies to exchange information and build relations within the business and tourism community.

Value in joining the Chamber of Commerce is demonstrated in the group representation of ideas and inovations, establishing a voice and a stage to be heard. Our common ideals support highlighting our regional and localised natural attractions and promoting the area in support of all business and tourism providers.

In working together we can bring attention to the area while supporting regional and local government, with a hands-on approach as we're the boots on the ground! Chamber of Commerce is a powerful tool in being a major social structure, within the community, raising awareness of community ideals within business and tourism operations.

As a valued member, you are welcome to attend bi-monthly meetings on the first Tuesday of the month, participate in voting, access our events, and network with a group of regional and local busines and tourism operators with a wealth of combined knowledge and experience, benefiting the economy as a whole.

Industry updates are provided at meetings, so bring your flyers and promote your business!

Kind Regards,

Matthew Lowndes
